

Juan Manuel Santos
Presidente de la República de Colombia

To whom it may concern:

Henry Robinson has been an important and invaluable ally in the Peace Process. Because of his long, brave contribution to ending the Troubles in Northern Ireland he has an understanding of the underlying position of the participants in conflict situations.

We are extremely grateful for the very considerable efforts he has made to bring peace to our country. Colombia has a true & faithful friend in Henry.

A handwritten signature in black ink, appearing to read 'Juan Manuel Santos', written in a cursive style.
